

THINKING BEYOND THE BOX

WHO WE ARE

For over 25 years, NextGate has created registry solutions for consistently accurate and insightfully integrated data. You'll get best-in-class products, comprehensive consulting and professional implementation services for a realistic cost.

THE RESULT IS A TRUSTED, COMPREHENSIVE INDEX OF ENTITIES LINKED TOGETHER UNDER AN ENTERPRISE ID THAT WILL DRIVE INSIGHTS, INNOVATIONS AND EFFICIENCIES ACROSS YOUR ORGANIZATION.

OUR TECHNOLOGY

MatchMetrix™ is an enterprise Master Data Management platform that uses intelligent matching algorithms to identify, index and resolve related data records spread over different applications and disparate systems.
